Dear Guest,

It is with great pleasure that I welcome you to the 2011 South Asian Canada Day Committee's "2011 Canada Day Celebration".

Canada is a truly unique country that has the honour of welcoming newcomers from around the world. The success of our diverse society is due to the hard work of multicultural groups, associations and volunteers such as those who have brought you today's event.

Community initiatives, including those of the South Asian Canada Day Committee, bring our community together, celebrate our heritage and foster a spirit of inclusivity amongst our diverse residents.

On behalf of the men and women of Peel Regional Police, I wish you a safe and enjoyable event.

Sincerely,

H. Mike Metcalf
Chief of Police
