Dear Guest,

Re: Canada Day Committee of the South Asian 2013 Canada Day Celebration

It is my sincere pleasure to welcome you to the *5th Annual South Asian Canada Day / Canadian Multicultural Day Celebration* at the Mississauga Celebration Square.

Canada Day has come to mean several things to many people in this diverse multicultural city. For some, this is a new home to celebrate a new beginning. For others, this country is rich in family history. No matter what our individual situations are, as we celebrate Canada's birthday we are also able to celebrate and promote our own heritage. It is that freedom which makes Canada such a wonderful country.

This Region has benefitted from the many cultures that have come together to form our community. It is celebrations such as this which bring us together as a community and promote the spirit of pride in this country, our community and our diversity. Congratulations on this marking the 5th annual South Asian Canada Day / Canadian Multicultural Day.

On behalf of the men and women of the Peel Regional Police, I wish you a safe and enjoyable event.

Sincerely,

Jennifer Evans
